### PrimusGFS Logo and Trademark

#### Introduction

1. The PrimusGFS logo and trademark (collectively, the “Logo”) is owned by Azzule.
2. Upon certification, a Certified Organization (“CO”) is allowed a non-exclusive revocable license to use the PrimusGFS logo for the duration of their certification, in accordance with, and limited to, the rules expressly promulgated in this document.
3. COs do not acquire any physical or intellectual proprietary rights in the Logo beyond the license granted herein.
4. COs must obtain the electronic data file or hardcopy of the Logo, from their respective Certification Body (“CB”).

#### Proper use of the PrimusGFS Logo and Trademark

A certified organization shall:

1. Not use Logo as a product certification mark and shall never use it on their products or packaging of product;
2. Only use the logo in business to business communications such as website, invoices, letterhead, promotional material, etc.;
3. Only use Logo in a manner consistent with the registered scope of their certification. Operations and/or products not included in the CO’s registered scope are not certified and CO is prohibited from using the logo in any way that would indicate or imply otherwise;
4. Pay all fees and costs set by Azzule and/or as agreed to with their CB; and,
5. Cooperate with Azzule and its agents to allow reasonable access to verify compliance with these rules.

#### Suspension and Revocation of Use of the PrimusGFS Logo

1. Azzule or CB may suspend CO’s license for use of the Logo if, at Azzule or CB’s sole discretion, it determines that:
  - a) CO fails to comply with these rules; or,
  - b) The certified organization fails to meet re-certification requirements.
2. Azzule or CB may revoke CO’s license for use of Logo if:
  - a) CO uses the Logo in a manner that is intended to be detrimental to Azzule or the PrimusGFS program;
  - b) CO fails to correct the issues or conditions that led to the suspension of the use of the logo within the time frame agreed to with their certification body; or,
  - c) The certified organization ceases operation or declares bankruptcy.
3. Upon written notice of such suspension or revocation of license to use the Logo, CO agrees to immediately discontinue using Logo, and cease use of any promotional materials, websites, or communications on which the Logo may be published.

#### Appeal of Suspension or Revocation of License to use the Azzule Logo

1. CO may appeal a decision to suspend or withdraw the use of the logo by notifying Azzule and its CB in writing within 14 days of the date of the notice of suspension.
2. The appeal will be handled in accordance with the appeals process of the CB or Azzule, whichever is applicable, but under no circumstances in a way that contravenes GFSI rules, regulations or the governing documents.

### BRCGS Logo

#### Who can use the Logo?

1. The Logo is for use only by companies and organizations that have achieved BRCGS certification in the Food, Packaging, Consumer Products, Storage and Distribution.

#### Form and Display of the Logo

1. The Logo shall be displayed only in the appropriate form, size and color and in full compliance with the conditions set out hereunder:
  - a) The Logo must be used in its original form, with no alterations to design or color scheme. BRCGS Certificated Sites can display the Logo on printed, digital collateral and outer business to business product packaging to advertise and promote the fact that they are BRCGS certificated.
  - b) **The Logo must not appear on any actual product packaging, only on outer business to business packaging.**
  - c) The Logo is available in color and monochrome. Where possible the Logo should be used in its color form. The Pantone colors stated below should be used.
2. Logo-Positioning
  - a) The Logo may be positioned anywhere on the page as considered appropriate. When using the logo, it is important to leave enough clear space or an exclusion zone around it to prevent interference from other elements. The recommended minimum height from base to top of tick is 22mm.
3. Permissions
  - a) The Logo can be used on certificates in relation to certification against the scope of a BRCGS Standard and on company communication tools such as, Letterheads, Compliment Slips, Business cards, Advertising, Exhibition Graphics and all forms of electronic media. The logo can now be displayed on outer business to business product packaging but not any form of product packaging.
  - b) You may not modify or alter the Logo design in any way. The Logo may not be translated or otherwise localized into any other language.
  - c) Your trade or company name must appear on any communication materials where the Logo is used.
  - d) You may not combine the Logo with any other object, including but not limited to, other logos, icons, words, graphics, photos, slogans, numbers, symbols, design features or website audio files. Further, you cannot use the Logo with any other trademark (including your company name) unless it is sufficiently distinguished from the surrounding and adjacent text.
  - e) The Logo must not be stretched or compressed horizontally or vertically or distorted in any way.
  - f) The Logo should appear only once in any given document, should not be used as a design feature on any of your communication materials and you should not use a copy BRCGS Certificated Site Logo Guidelines – Issue 1 published April 2019 of the Logo that has been scanned at low resolution.
  - g) You may not use the Logo in any manner that is derogatory to BRCGS or any BRCGS's products or services or in any way which would allow the Logo to become generic or which would be inconsistent with the good name, goodwill, reputation or image of BRCGS. You shall comply with all the requirements laid down by BRCGS in respect of the standards of quality and service for all goods and services which you supply by reference to the Logo.

## **Use of EAGLE Food Registrations Inc., Oversight and CPO Logos**

- h) You will not adopt or use any trademark, symbol or device which includes the Logo or is confusingly similar to or a colorable imitation of it. You will not attempt to register as a trademark anywhere in the world the Logo or any mark, which is confusingly similar to, or a colorable imitation of it.
  - i) You will not obtain any right, title or interest in the Logo through your use of it save for the rights expressly granted to you under the BRCGS Certificate Site Logo Guidelines.
  - j) You cannot assign, or sub license the right to use the Logo.
  - k) If you should become aware of any unauthorized use of the logo or any mark confusingly similar to or a colorable imitation of it, you shall immediately notify BRCGS, which shall have full discretion as to whether to take any action. Should the Logo become a registered trademark at any time, sections 30 and 31 of the Trademarks Act 1994 are expressly excluded from this license.
4. Ask your Certification Manger for the proper logo for your site.

### Gluten-Free Logo

1. Please send the Approval Form for GFCP Trademark Usage, along with your Schedule A and artwork in .PDF format, saved at 100% to: [labels@glutenfreecert.com](mailto:labels@glutenfreecert.com)

2. **Schedule A attached to email?**
  - a. Make sure a Schedule A containing the products you wish to be approved is attached. GFCP's team will check it for accuracy then forward it to Operations for processing.
3. **Attached artwork saved at 100% and in .pdf?**
  - a. Artwork needs to be in 100% .pdf as the tools we use to measure the trademarks' diameters cannot accurately measure their dimensions in other programs. Artwork saved at less than 100% results in the Trademark measuring smaller than it actually appears on the finished product.
4. **GFCP Trademarks correct size?**
  - a. To ensure the legibility of the trademark, the minimum size requirement is 0.75 inches (19.05 mm) in diameter. This measurement does not include the white space around the trademark.
5. **TM/MC used, and special character included?**
  - a. A special character must appear with the TM/MC beside the trademark(s). The use of a special character denotes the use of a footnote in the form of the Trademark Licensing Statement. Ensure you use a special character, or combination of characters, to differentiate from any other footnotes on your packaging.
6. **Licensing statement with matching special character?**
  - a. A footnote with a special character, matching the one next to TM on the trademark, must be added in a visible location on packaging and marketing materials.
7. **Trademark Approval Form completed, saved in Word format and attached?**
  - a. Complete all fields in the Trademark Approval Form (TAF), leaving the green section at the bottom blank. Make sure to include contact details and a telephone number. Please send the TAF in Word format. Once your
